

Enterprise Video Conferencing Solution

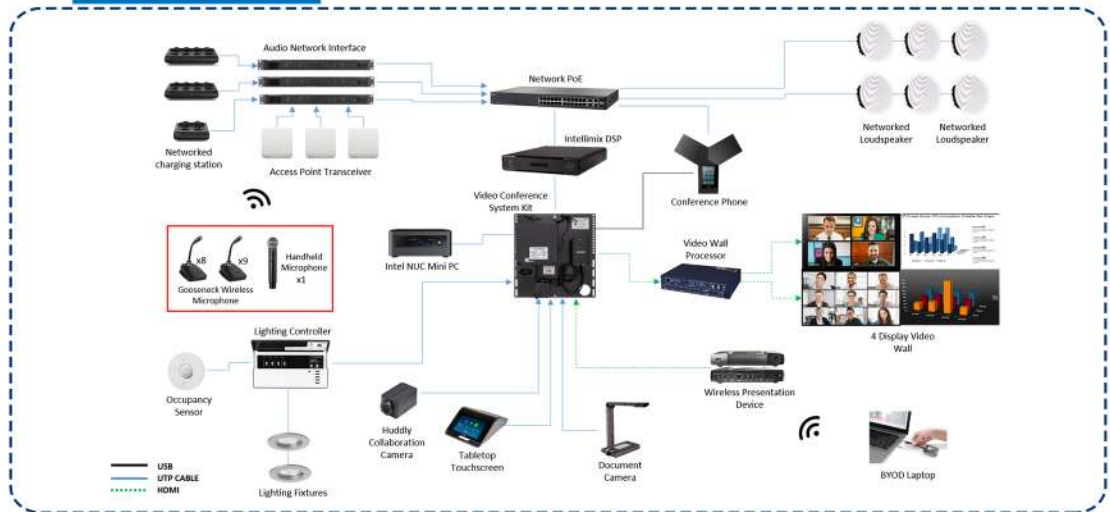

Comspec continues to adapt to what the market needs and requires as your one-stop provider for ICT, AV, and Safety and Security solutions. Our Enterprise Video Conference Solution helps organizations observe the "new normal" guidelines and protocols while ensuring business continuity.

- Conduct meetings with participants working from home / remotely
- Hold more effective and efficient meetings while observing social distancing regulations
- Make meetings more conducive through quality audio and video systems, remote collaboration, and seamless and user-friendly technology

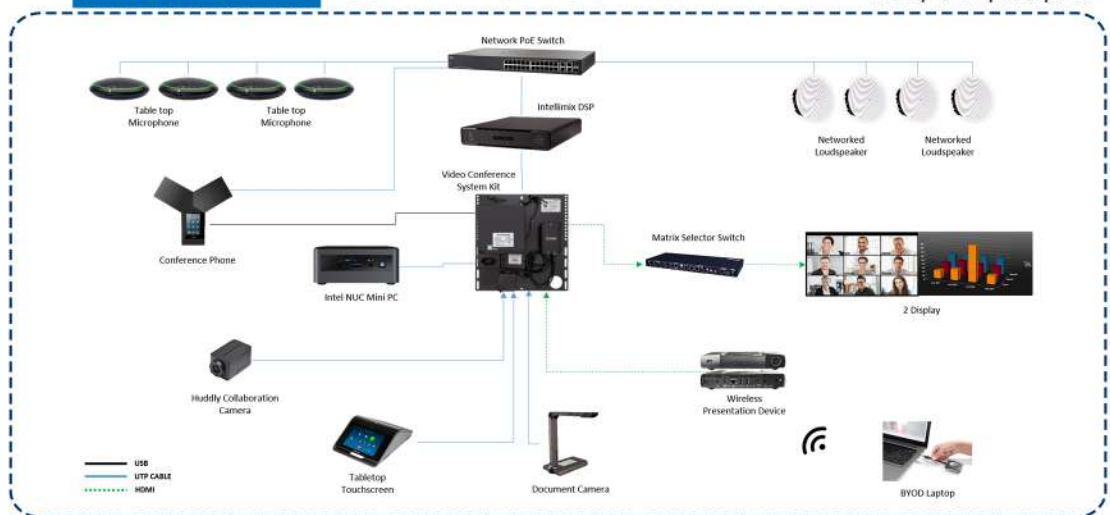

OPTION 1 BOARDROOM

*For 20 participants or more

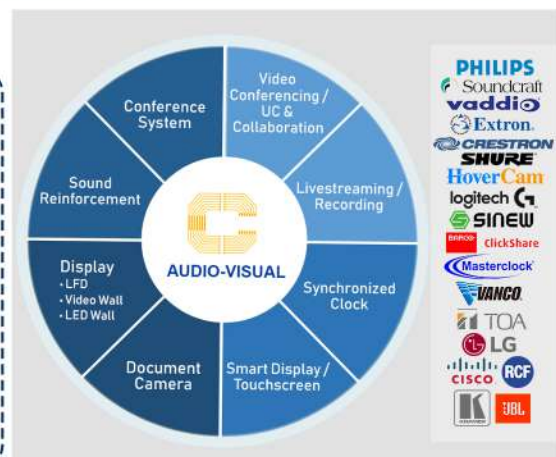

OPTION 2 CONFERENCE ROOM

*For up to 16 participants

OPTION 3 HUDDLE ROOM

OPTION 1 & OPTION 2

- Provides high quality audio throughout the whole area
- Video Wall Display: 1.88mm bezel thickness, Full HD
- Video Wall Processor: capable of creating different views and configurations as needed by the meetings
- Collaboration Camera: compact, ultra-wide angle 150° diagonal field of view to capture an entire conference or boardroom with Full HD 1080p resolution
- Document Camera: provides high image quality and compatible with online conference platforms
- Wireless Room Lighting control (for Option 1)

OPTION 3

- For smaller teams and offices
- Mobile and easily deployable plug and play set-up

COMSPEC MARKETING is a systems integrator and a solutions provider specializing in ICT, Safety and Security, AV and emerging technologies. The company has successfully built and maintained strong relationships with clients from various industries for more than 25 years.
