NETWORK INFRASTRUCTURE & STRUCTURED CABLING

All smart campuses start with a reliable network infrastructure. Comspec takes into account the design and operations of each SUC's campus to ensure smooth and dependable connectivity.

SMART CLASSROOM AV LIVESTREAMING

Whether the need is for a virtual classroom, a hybrid set-up, or an AV-equipped classroom, Comspec has you covered with AV solutions to enhance the both teaching and learning experience.

AUDIO CONFERENCE SYSTEM

Make meeting rooms more conducive with optimal audio and video quality ready for seamless face-to-face meetings and online conferences. Technologies include video wall, conference system, wireless collaboration, livestreaming and recording, document camera, and PTZ camera/s.

As video is becoming a much more constant form of media, Comspec provides video production and livestreaming equipment for broadcast and recording of lectures, events, and announcements.

VIDEO PRODUCTION & LIVESTREAMING

GYM / AUDITORIUM PRO AV LIGHTINGS

Maximize the use of your campus gym and/or auditorium with upgraded AV solutions for an elevated experience. Conduct programs and ceremonies with confidence with pro AV and lighting.

INTEGRATED COMMUNICATION, NOTIFICATION & SECURITY SYSTEM

An integration of key systems — communication, safety & security, and notification systems in a synchronized manner, to help schools with their daily operations; especially in emergency situations.
